HARIHAR MUNICIPAL OFFICE.

Notice dated 16th October 1924.

Notice is hereby given to the inhabitants of the Harihar Town Municipal area that the Municipal Council desire to bring into force the following bye-laws Under Section 48 (*l*) of the Mysore Municipal Regulation VII of 1906, in the Municipality.

Any inhabitant of the Municipal area objecting to the following bye-laws relating to the water-supply framed under the above section may within one month from the date of this notice send his objections or suggestions if any in writing to the Municipal Office.

1. No person shall by any wrongful act, break, injure or cause damage to any work connected with the supply of water to the town of Harihar.

2. No person shall without lawful authority open or remove any lock, cock or pipe, or draw off, or take water from any work belonging to or under the control of the Municipality.

3. No person shall by any rash or negligent act, obstruct, divert or in any way injure or alter any water main or dirt or do any act by which water therein may be contaminated.

4. No person shall, without previous written sanction of the Municipal Council utilize the water of a public stand post or tap for other than domestic purposes.

(*a*) The Municipal Council may supply water for any purpose other than domestic purpose on receiving a written application specifying the purpose for which such supply is required and the quantity likely to be consumed. All water so supplied shall be charged at 12 annas per 1,000 gallons or fraction thereof.

(*b*) The Council may withdraw such supply at any time if it should appear necessary to do so or in order to maintain a sufficient supply of water for domestic purposes.

NOTE.—(*a*) Supply of water for domestic purposes shall not be deemed to include a supply for animal or for washing vehicles, where such animals or vehicles are kept for sale or hire.

(*b*) For any trade, manufacture or business.
(*c*) For fountains, swimming, baths, or for any ornamental or mechanical purposes.
(*d*) For gardens or for purposes of irrigation.
(*e*) For watering streets.
(*f*) For flushing purposes.
(*g*) For building purposes.

5. No person shall bathe, or wash any animal, vehicle, clothes, or utensils or water any animal at any public stand post or taps which are not specially set apart for the said purposes or shall cause a waste of water by the misuse of public stand posts or pipes.

6. The Municipal Council may at any time, if possible with previous public notice stop the supply of water whenever it may appear to be unfit for human consumption.

7. The Municipal Council shall levy a water rate on buildings situated within the Municipal area, and this water rate shall be for the time being equal to the house tax. Buildings exempt from house tax shall also be exempt from water rate.

8. All applications for attachments from the public mains shall be made in writing to the Municipal Council accompanied with a deposit of Rs. 25, which will be adjusted towards the cost of attachments subsequently.

9. Provided that private house connections do not in any way cause extra expenditure to the Municipality and also provided that such connections are not detrimental to the

existing street service, private house service connections may for the present be given to houses paying a house tax of not less than Rs. 3 a year.

(*a*) The works necessary for such connections and all future repairs of such works shall in every case be carried out by Municipal agency and the expenses thereof shall be defrayed by such owner or occupier.

10. For houses taking half inches connections, a maximum of 3 taps may be given and for the larger size 4 taps may be given. A fee of Rs. 1-8-0 for each half inches connections and Rs. 2 for each three-fourth inches connection will be charged per month.

11. For every connection given for non-domestic purposes, there shall be provided at the cost of the party and maintain in due working order, a water metre for the accurate gauging of the water consumed.

(*a*) Whenever water is supplied through a metre it shall be presumed that the quantity indicated by the metre has been consumed until the contrary is proved.

(*b*) The readings of the metre will be recorded once a month by an officer of the Municipality in the presence of the owner or occupier of the property in which there is a service pipe to which a metre is attached and a copy of the reading so recorded will be furnished to the owner from the Municipal Office.

(*c*) When any metre attached to the service pipe of any premises is out of order or under repair, the consumption shall be calculated on the average daily consumption of the last registered period during which in the opinion of the Council the consumption of water was not abnormal.

(12) The water rate and other charges due under these rules are to be calculated by the President of the Municipality or his authorised agent quarterly on bills prepared in his office. Owners of houses or occupiers shall be solely responsible for the payment of all charges due under these rules, which shall be recoverable in the manner laid down in Chapter VIII of the Municipal Regulation. The President is not however precluded from receiving payments from (1) agent (2) or a tenant. Bills shall be presented by the Municipal Office before the 20th of the month following the quarter to which they relate.

(13) The Municipal Council or their authorized agent may at all reasonable times and with permission of the owner or if permission be refused after giving six hours' notice, enter any premises in which there is a water connection in order to inspect, examine or repair the same.

(14) The Municipal Council or their authorised agent shall have the power to cut off the connection between private pipes and public main in any of the following cases :—

(*a*) In default of payment of water rates or other charges due under these rules.

(*b*) If any house owner or occupier who is supplied with water shall use or permit the use of water for purposes in violation of the conditions on which the connection is granted, provided that six days' previous notice is given in writing.

(*c*) In cases of leakages of pipes or other defects in the private service arrangements likely to cause loss to Municipality provided that 48 hours' previous notice is given.

(*d*) If water is allowed to run to waste after the owner or occupier has been warned in writing against allowing such waste.

(*e*) In cases in which on account of any defect in pipes or fittings damage is likely to be caused to property, after such notice as may be possible is given.

(*f*) The case of refusal to allow the Municipal Council or their agent to enter on any land or building for the purpose of inspecting service pipes, fittings, etc.

(15) The bye-laws 4, 5, 6, and 14 stated above apply *mutatis mutandis* to public street fountains which have been or may be allowed to be erected at the expense of private individuals for dedication to public use.

(16) Any person infringing any of the bye-laws from 1 to 5 inclusive, shall be liable to be punished with a fine not exceeding fifty rupees on conviction before a Magistrate.
